About Us

Many of you know about us as we have been serving Hamilton and surrounding counties with our family owned stump removal business for the last 30+ years! We wanted to make this page to show you guys a little more about what we do and make it more convenient for you to get ahold of us. Feel free to message us on Facebook, email, call, or text us for any questions, inquiries and/or estimates. We look forward to working with you! Check out our [contact](#) page for more information.

Services

At Barger Stump Removal, we specialize in one thing - and we do it right. We offer professional **stump removal** and **site cleanup** to help restore the beauty and safety of your outdoor space. Whether it is one stump or several, we remove the unwanted stump and leave your yard clean, level, and ready for whatever comes next!
